

Church Planting Readiness Self-Assessment

"You will seek me and find me when you seek me with all your heart." — Jeremiah 29:13

Reflection questions for anyone considering church planting.

- Do I meet the qualifications of an elder (1 Timothy 3, Titus 1)?
- Have I been affirmed and sent by a local church, not simply self-appointed?
- Do I have a clear theological conviction and a plan for how the church will be governed?
- Have I built (or started building) a core team, or would I be starting entirely alone?
- Do I have a realistic financial plan, including personal support and initial costs?
- Have I sought counsel from experienced church planters or a planting network (e.g., Acts 29)?
