

First 30 Days in the Bible

"Your word is a lamp to my feet and a light to my path." — Psalm 119:105

A simple starting plan: begin with the Gospel of John to meet Jesus, then Genesis for the big story, then Psalms for prayer and worship.

Days	Reading	Why
1-10	Gospel of John, chs. 1-21	Meet Jesus directly — His words, miracles, and claim
11-20	Genesis, chs. 1-25	Understand creation, the fall, and God's early promi
21-30	Psalms (a few per day)	Learn to pray and worship in every emotion.

Tip: Read slowly. A few verses understood well is worth more than many chapters skimmed.
