

Gospel Conversation Starters

"You will seek me and find me when you seek me with all your heart." — Jeremiah 29:13

Natural questions to open spiritual conversations without feeling forced or scripted.

- "Do you have any kind of spiritual background or beliefs?"
- "Can I ask what you think happens after we die?"
- "Have you ever explored who Jesus claimed to be, beyond just a good teacher?"
- "What's been your experience with church or Christianity, good or bad?"
- "Would you be open to me sharing what changed for me when I started following Jesus?"

Remember: the goal is a genuine conversation, not a script to force through — listen as much as you speak.
