

The Gospel in 4 Points

"For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life." — John 3:16

1. Creation

God created the world and everything in it good, and made people in His image to know and enjoy Him (Genesis 1:27, 31).

2. Fall

Humanity rebelled against God, and sin broke our relationship with Him, with each other, and with creation itself (Genesis 3; Romans 3:23).

3. Redemption

God sent Jesus Christ to live a perfect life, die on the cross in our place, and rise from the dead — paying the penalty for sin and defeating death (Romans 5:8; 1 Corinthians 15:3-4).

4. Restoration

Everyone who trusts in Jesus is forgiven and made new now, with the promise of a fully restored creation to come (2 Corinthians 5:17; Revelation 21:3-5).

Your response: The gospel isn't just information to know — it's an invitation to respond in faith and trust Jesus for yourself.
