

# Map of Systematic Theology

*"Without faith it is impossible to please him, for whoever would draw near to God must believe that he exists and that he rewards those who seek him." — Hebrews 11:6*

| Category        | Greek/Latin Root    | What It Studies                                   |
|-----------------|---------------------|---------------------------------------------------|
| Theology Proper | theos (God)         | The nature, character, and attributes of God      |
| Christology     | christos (Christ)   | The person and work of Jesus Christ               |
| Pneumatology    | pneuma (spirit)     | The person and work of the Holy Spirit            |
| Soteriology     | soteria (salvation) | How salvation is accomplished and applied         |
| Ecclesiology    | ekklesia (church)   | The nature, purpose, and structure of the church  |
| Eschatology     | eschatos (last)     | Last things — Christ's return, judgment, eternity |
| Anthropology    | anthropos (man)     | Humanity, made in God's image, and the fall       |
| Bibliology      | biblos (book)       | The nature and authority of Scripture             |
