

New Believer's Checklist

"You will seek me and find me when you seek me with all your heart." — Jeremiah 29:13

A few simple next steps to build a strong foundation as you begin walking with Christ.

- **Tell someone.** Share your decision with a Christian friend, family member, or pastor.
- **Get baptized.** Baptism is a public declaration of your new faith (Matthew 28:19; Acts 2:38).
- **Start reading the Bible daily**, even just a few verses — begin in the Gospel of John.
- **Start talking to God in prayer** — it doesn't need to be formal, just honest.
- **Find a church** where the Bible is taught and you can grow with other believers.
- **Memorize a few key verses** on assurance: 1 John 5:11-13, Romans 8:1, John 10:28-29.
- **Expect a process, not perfection.** Growth in faith is gradual — be patient with yourself.
