

New Volunteer Checklist

"You will seek me and find me when you seek me with all your heart." — Jeremiah 29:13

A simple onboarding checklist for anyone starting to serve at church — customize with your own ministry's specifics.

- Meet with the ministry leader to understand expectations and schedule.
- Complete any required training or background check.
- Shadow an experienced volunteer at least once before serving solo.
- Get contact information for your team and leader.
- Understand who to contact if you can't make a scheduled commitment.
- Ask about the vision behind this ministry — how does it fit the church's mission?
