

Share Your Testimony in 3 Minutes

"You will seek me and find me when you seek me with all your heart." — Jeremiah 29:13

A simple three-part structure for sharing your story naturally and briefly.

1. Before Christ (about 45 seconds)

What was your life or mindset like before you trusted Jesus? Keep this brief and honest — no need to over-share details that aren't necessary.

2. How I met Christ (about 45 seconds)

What led you to trust Him? A specific moment, a season of searching, a person who shared the gospel with you?

3. Life since (about 45 seconds)

What has actually changed? Be specific and honest — growth is a process, not instant perfection.

Practice tip: Write it out first, then practice saying it out loud until it feels natural, not memorized.
