

Where Do I Serve?

"You will seek me and find me when you seek me with all your heart." — Jeremiah 29:13

A short self-assessment to help identify where you might fit in serving your local church.

What am I good at?

What spiritual gifts have others recognized in me?

What need have I noticed at my church?

What am I willing to try, even if I'm not sure I'm "qualified" yet?
